## PERSONAL MOTIVATION

---

I am fast learning, innovative and proactive personality. I like to find the solution in teamwork. I am always helpful and cheerful in explaining and training people. My positiveness is recognised by both the colleagues and managers. I am not only suggesting the solution to the problem but take action pro actively and forward the solution to the other specialists and follow up until the problem is eliminated. I am often contacted by other factories and distribution centres from outside of own site. I am used to do trainings and is able to speak in public when required.

DRIVING LICENCE AB

I live in Budapest XI. district in Kelenföld.

My hobbies are mountain biking in the Buda hills, renovating the house built by my grandfather and youngtimer cars to be oldtimers with the necessary care.

Budapest, 16<sup>th</sup> of January 2012
